

**MARA'S
AWAKENING**
BY LEO FLYNN

AN EXPLOSIVE DEBUT

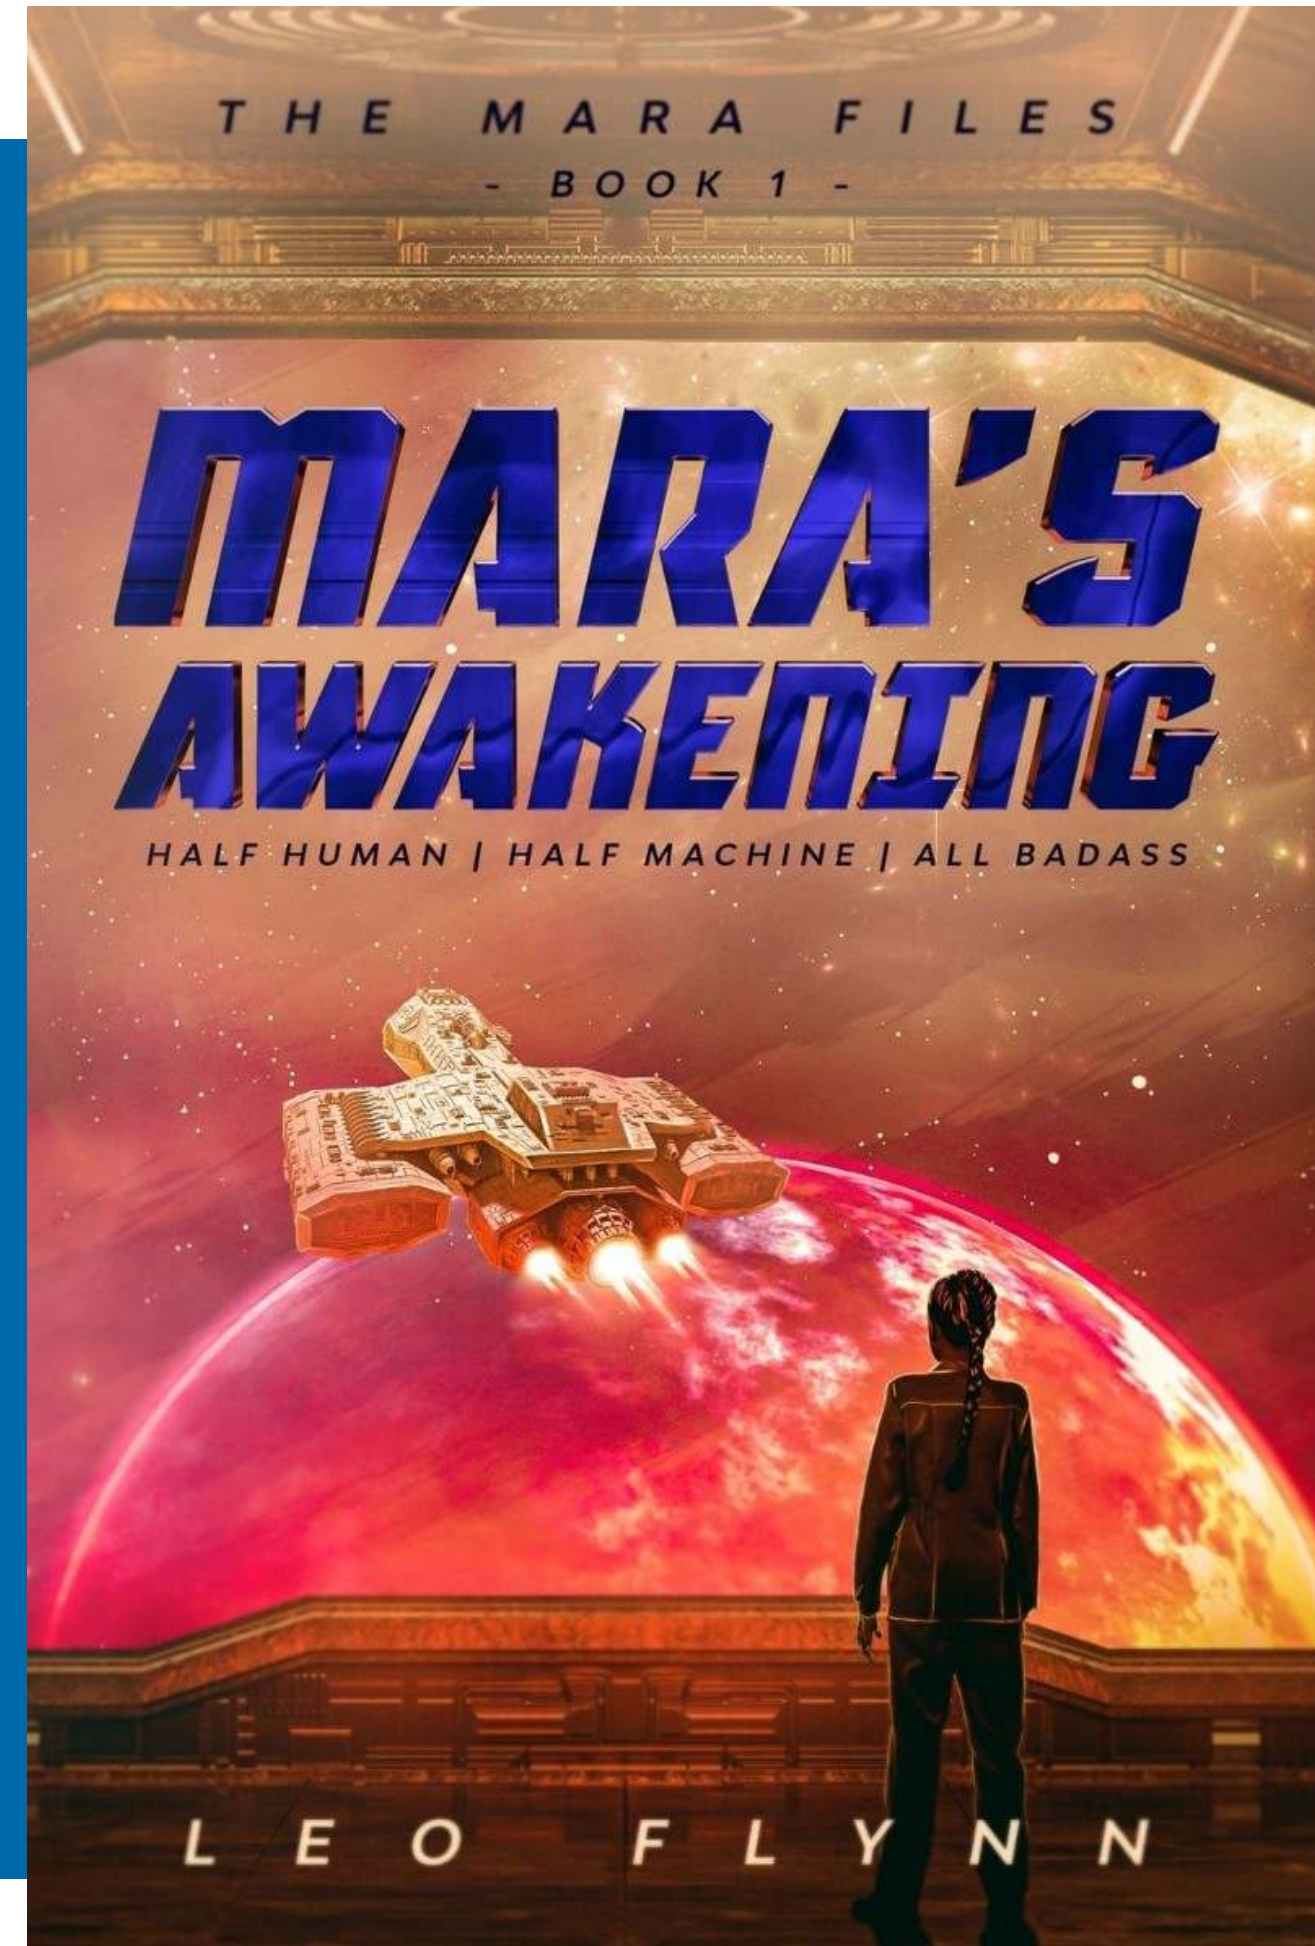

Mara's Awakening, a space opera short story about one woman's search for justice and freedom on her terms, set against the backdrop of a brewing interstellar war.

THE BLURB

Mara Keres. A trained warrior and former highly respected peacekeeper.

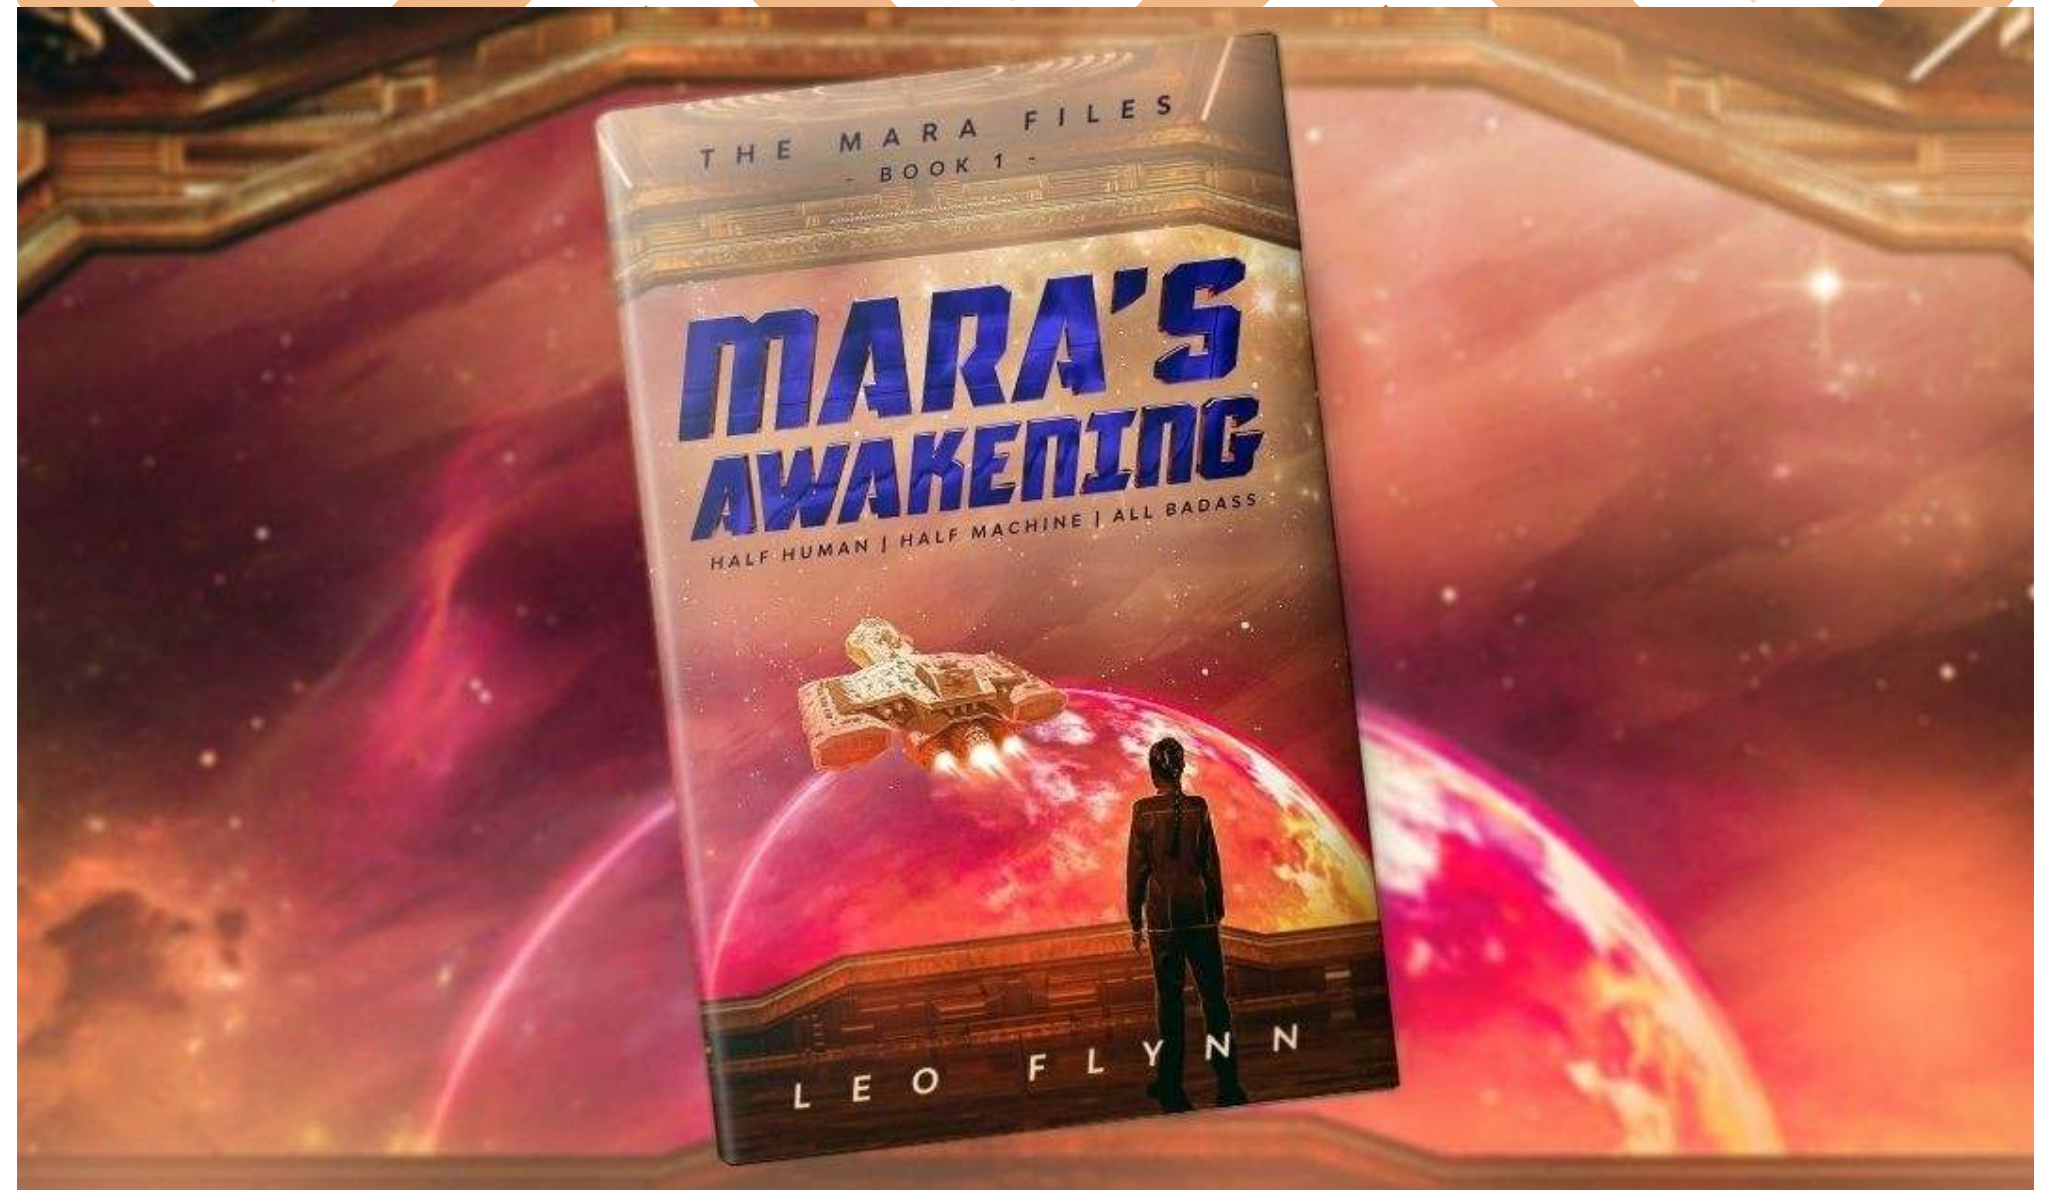

Note "former." Once, she had her life under control. Once, she had the trust of the galaxy. Now she rots in the same prison she used to sentence people to.

Solitary confinement for six years. Would've brought anyone else to their knees. Not her. Then an offer resurfaces, almost too good to be true. Ghosts of her past and demons come back to haunt her. Will she ever make it out alive? Sometimes, facing your worst memories is worth the risk.
